- Coal Production
- Granite Production
- Agriculture & Stockbreeding
- Meat Industry
- Canning Industry
- Wine Industry
- Tobacco Industry
- Furniture Industry
- Cork Industry
- Metallurgy & metallic products
- Paper & Carton Industry (containers)
- Building
- Real State & Renting
- Vehicle repairing & services
- Activities throughout the whole Region

JUNTA DE EXTREMADURA

COLABORAR PARA MEJORAR, COMPARTIR PARA CRECER

JUNTA DE EXTREMADURA

- 1998 the Regional Strategy on IS launched
- 2001 Innovative Action eExtremadura
- 2002 FLOSS - gnuLinEx project.
- 2003 Knowledge Cluster
- 2007 Cluster Strategy: Innoveex

COLABORAR PARA MEJORAR, COMPARTIR PARA CRECER

JUNTA DE EXTREMADURA

- Four main aspects in the Region that can be improved by DBE implementation:
 - Entrepreneurship,
 - Knowledge,
 - Cooperation,
 - To foster the use of ICT.

JUNTA DE EXTREMADURA

Regional Catalyst	"engagement strategy"	DBE presentation	Involved sectors	Other organisations involved in the project
FUNDECYT: an entity that is part of the regional Government and promotes research and technological development	Policy-driven + Business Strategy	DBE as a governmental initiative, an Open Source Software project and a business strategy	Knowledge and ICT sector	Knowledge Cluster, Extremadura Gov., Innoveex, CNI, Cenatic

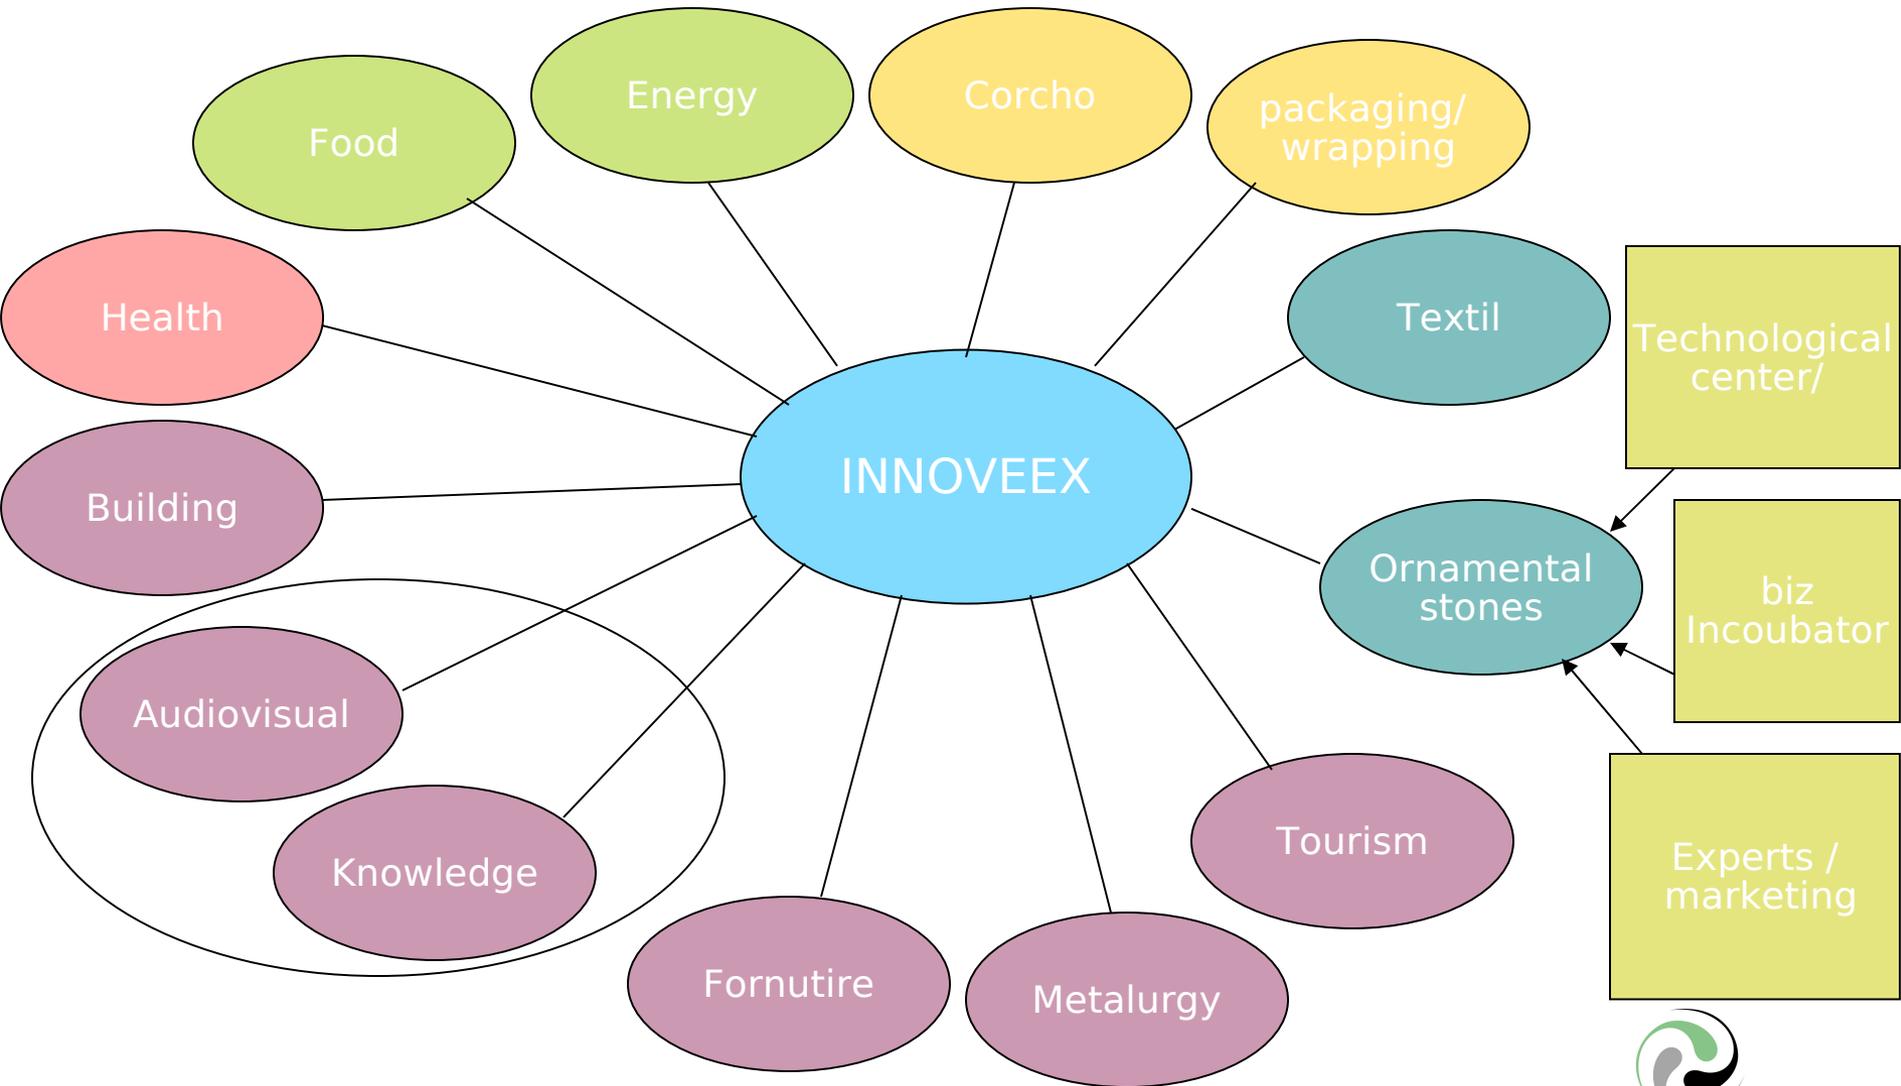

JUNTA DE EXTREMADURA

- Knowledge Cluster launched in 2003
 - More than 100 micro & small enterprises
 - Sectors: Consulting, NTICs, e-Content, RD+i
- B2B platform
 - Mayor problem: lack of cooperation culture
 - Solution: Market place to match offers and demands
 - Ethic Code to be signed by all members

INNOVEEX

JUNTA DE EXTREMADURA

DEN4DEK stands for Digital Ecosystems Network of regions for (4) DissEmination and Knowledge Deployment.
